

Ford Duetto

Exclusive to

The UK's largest dealer network

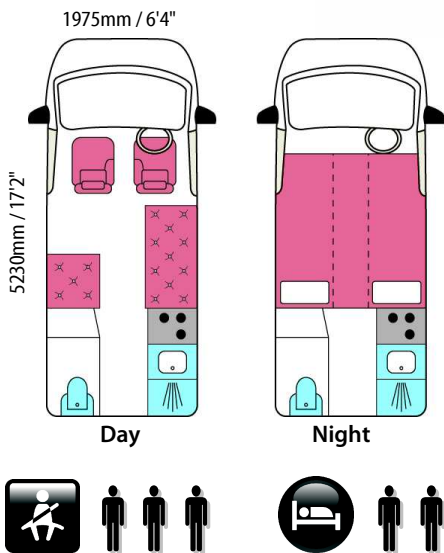

The only compact in the Auto-Sleeper range to be built on the acclaimed new Ford Transit, the Duetto combines contemporary styling with practical design.

This surprisingly spacious, well appointed vehicle provides exceptional comfort wherever you choose to travel.

Auto-Sleeper have built a final batch of 12 Ford Duetto models with one specification and one price. Stocks are limited and this is the last chance to buy one of the most popular compact motorhomes in the market.

£41,995^{OTR}

Nearside bed	1810 x 670mm / 5'11" x 2'2"
Offside bed	1810 x 670mm / 5'11" x 2'2"

Auto-Sleepers Conversion Warranty

You can be confident about owning an Auto-Sleepers, because we are confident about the way in which we build them. The conversion work of every Auto-Sleepers is covered by our own two year warranty scheme. The cover is not restricted to mileage and protects all aspects of the conversion (terms and conditions apply, please refer to your handbook for further information). For further peace of mind, a third year's warranty may be purchased from Marquis Motorhomes when the vehicle is first registered. The base of your motorhome is covered by the base vehicle manufacturer's warranty (terms and conditions apply, please refer to the chassis manufacturer's handbook for details).

This brochure does not constitute an offer by the Auto-Sleepers Group Ltd (Auto-Sleepers). It's the continual policy of Ford and Auto-Sleepers to seek to improve their vehicles in every way and so whilst every effort has been made to ensure the details set out in this brochure were correct at the time of going to press, they are unable to guarantee that no changes in specification have subsequently taken place. They therefore reserve the right to alter the specifications and price at any time without notice. Auto-Sleepers designs its Motorhomes to provide a variety of potential uses for its customers. Each vehicle features the optimum storage, fluid, seating and sleeping capabilities. While the customer enjoys this potential, they have the responsibility to select the proper combinations of loads without exceeding the chassis weight capacities. The End of Life Vehicle Directive for Ford – visit www.ford.co.uk under the Environment section. Please note that imperial conversions have been rounded to the nearest inch. Dimensions are based on vehicles with standard wheels. All weights and dimensions are subject to manufacturing tolerances and refer to standard specification models and do not include any options. Effective 23rd February 2010. This literature supersedes all others. E&OE.
